## FEBRUARY, 2025 NEWSLETTER

Welcome to this month's edition of The FoodFilled newsletter!

Welcome to the February edition of the FoodFilled 2025 newsletter! As we settle into the new year, we're looking ahead with purpose and ambition. 2025 is shaping up to be a year of growth, and we're excited to share our goals for the months ahead – from rescuing even more surplus food to expanding our support for families in need and empowering communities to join the fight against food waste. With your ongoing support, we're confident we can make a greater impact than ever before. Thank you for standing with us as we work towards a more sustainable, food-secure future.

## PARTNER HIGHLIGHT

### Partner of the month: **Bridge It**

This month, we're shining a spotlight on the incredible team at one of our partner charities, Bridge It, for their unwavering commitment to supporting women experiencing homelessness. We proudly partner with Bridge It and have been consistently inspired by their dedication and the warm, supportive attitude of their staff.

**Through our weekly shifts, this partnership helps provide excess food, that would otherwise be sent to landfill, to young women experiencing homelessness.**

Thank you to Bridge It for their ongoing partnership and support—together, we're creating meaningful change!
